Murrai -

Memo -

For the last 2 years the Govt have been pleased to sanction a State Grant of Rs 15,000/- a year towards the repairs of the important temples in the Province, and these works are at present entrusted to the supervision of the local Revenue officers. But some of the Deputy Commissioners have since represented that the Revenue officers having other multifarious duties to attend to they could not devote much attention to the execution of temple repairs and they have in consequence applied for the services of professional men to superintend the works. On a personal examination of the existing state of things, I find too that the works cannot be carried out satisfactorily without the assistance of a duly qualified Engineer. Besides, there are strong local prejudices against a non-Brahmin being allowed to enter and examine certain portions of the temple premises.

2 Under these circumstances I would request that the services of Mr C. Suryanarayana Row, 3rd

Trade Inspection in charge of French Locks sub-division, be placed at my disposal for a period of 2 years. He is at present in receipt of a salary of Rs 150/- and a sub-division charge allowance of Rs 30/- per mensem and in addition draws Batta and travelling allowances as per Scale fixed for officials of his rank. As the Murrai funds are very limited and cannot bear such a heavy charge, I request that his pay and allowances may, as a special case, be met from the Budget of the Public Works Department to which he may in continue to be attached all the time he does work in the Murrai Department.

File No.

SUBJECT.

B.Kandasami Naidu, Muzrai Overseer.

From

No. Dated

As directed in the urgent slip received from the Dewan's Office, I beg to submit herewith the File relating to B.Kandasami Naidu, Muzrai Overseer.

Kandasami Naidu is a relation of the late Mr.B.Bauliah Naidu of Madras. He was appointed by my predecessor Rai Bahadur Mr. A.Srinivassacharlu in 1899 as an Overseer in the Muzrai Department for supervising building works temporarily for one year,his pay and allowance (₹25÷15) being charged to the State Grant of ₹15,000/- allotted annually in the Muzrai Budget for the repair of Muzrai Institutions. Sanction to Kandasami Naidu's appointment is being repeated

File No. of Muzrai Secretariat.

year after year, and only recently last in, on the 19th instant, I repeated the petition in the usual manner for another year.

With the abolition of the executive functions of the Muzrai Superintendent who, Mr. A. Srinivasa Pachariu retired, the supervision of Muzrai works direct by the Muzrai Secretary came to an end, and Nandavana Naidu has had no work of that description since then. I have however been utilizing him for some clerical work in my office for which, however, he is not quite fit.

His petition for confirmation received on the 23rd instant is herewith submitted, but it does not seem possible to grant his prayer as the State Grant from which his pay is given is only an annual allotment out of which no permanent establishment can be entertained.

I am afraid that Rao Sahib Naidu's request cannot be granted. His pay & allowance to meet from the annual State Muzrai grant now sanctioned for the Construction & Repair of Muzrai buildings. He has been in service since 1899 and his appointment is as a matter of course sanctioned from year to year. It is a problem how best to utilize his services and to give him a permanent post. I have discussed the matter with the Muzrai Secretary and do not see my way to do anything further in the Muzrai Deptt. It is a

Kandasami Naidu's temporary term of office expires at the end of this month. He has been verbal -ly asking me for a further extension and also for some sort of a permanent footing. There is no means of giving him a permanent footing, and even if there was, I could not ~~conscientiously~~ conscientously recommend such a measure for reasons given in the earlier part of this note. Even during the current official year he has been absent for many months, sometimes on half pay and sometimes on forfeiture of full pay.

I have however no objection for keeping him on for another year more and I have accordingly put up a draft to that effect for approval.
